

# WELCOME ADVENTURERS!

1. **Choose your character(s) and cut them out to help you keep track of your challenges and keep track of your key progress.**
2. **Parents, print one challenge tracker(next page)for each adventurer and hang it up for them to see often as a motivator to get to that key!**

**Hot Tip! Laminate these and use some tape, velcro, or sticky tack to place them on the current challenge square on their map.**

**Good luck and remember God's got a plan and a purpose for your life!**
